PRODUCTION NOTES

Welcome to the Hershey Area Playhouse! It is my delight to welcome you to *School of Rock*, our latest mainstage production of the 2023 season. This season, we bring you stories that illustrate human nature through vulnerability, fear, and hope. And while *School of Rock* may seem like it doesn't fit that description, trust me, it does.

School of Rock is a wonderful show that requires versatile actors, performers, musicians, and vocalists. At the heart of this story is a love for music and the desire to find oneself. Jonathan and his production team have done an exceptional job of creating an environment that embodies these values—ones we hold dear at the Hershey Area Playhouse. I'll confess, I was not a huge *School of Rock* fan before this season. I had never even seen the movie until Jonathan's insistence. But his enthusiasm, and the joy of watching the performers of this show—the young and the not as young—has been infectious.

I wish to express my sincerest thanks to the many volunteers and current and past board and committee members who make performances like this a reality. Without their generosity, productions like these would not be possible. We follow a long line of dedicated individuals who have maintained a commitment to quality theatre in Central Pennsylvania. It is an honor to be a part of this tradition, and we thank you for your continued support. Please come back to visit us for our upcoming productions. If you like what you see today and are able to support our efforts, please consider sharing your own gifts at hersheyareaplayhouse.com.

**JASMINE AMMONS BUCHER,
BOARD CHAIR**

School of Rock is not just a musical; it's a celebration of the transformative power of music and the boundless potential that lies within each and every one of us. Through the infectious energy of rock 'n' roll, this story reminds us of the importance of embracing our individuality, nurturing our talents, and daring to dream big. It's a testament to the unbreakable spirit of youth, the magic of music, and the impact that dedicated teachers can have on their students' lives.

I will be honest in saying, that taking on this production was 100% selfish. I put it in the ears of all my closest friends and when it was time to help build the season at the Playhouse I dropped many subtle hints (doubt they were subtle). But as I reflect on the tail end of this process and the shows coming forward it has been an education for me and hopefully for the members of the cast and crew as well.

Throughout this process I have learned that Central Pennsylvania has some of the most talented youth AND adult performers I have EVER had the pleasure of working with. I have learned that this little community theatre in Hershey, PA has so much heart in and outside of its walls, and finally, I have learned that this experience will truly be one I take with me in my life.

On behalf of myself, the cast, crew, production team, and the Board of Directors, we thank you for being here and hope that this experience will be one that will take you far beyond the walls of the Hershey Area Playhouse.

In rock we trust!

ANDREW LLOYD WEBBER (NEW MUSIC) has composed the scores of some of the world's most famous musicals. From *Joseph and the Amazing Technicolor Dreamcoat* (1969) to *Cinderella* (2021), his work has been consistently seen on world stages. Before the COVID pandemic hit, Lloyd Webber had shows continually running in the West End for 48 years and on Broadway for 41. When *Sunset Boulevard* joined *School Of Rock*, *CATS* and *The Phantom Of the Opera*, he equalled Rodgers & Hammerstein's record of four shows running simultaneously on Broadway. He is one of the select group of artists with EGOT status, having received Emmy, Grammy, Oscar, and Tony Awards. Lloyd Webber owns seven London theatres, including the iconic London Palladium and Theatre Royal, Drury Lane. Over the past three years the latter has been completely restored and renovated at a cost of over £60 million. It is one of the biggest projects ever undertaken by a private theatre owner in recent times. His mantra that every penny of profit made from his theatres is ploughed back into the buildings has meant that considerable work has been undertaken across his theatre portfolio during the pandemic, including the complete remodelling and reseating of the Gillian Lynne. Lloyd Webber is passionate about the importance of musical education and diversity in the arts. The Andrew Lloyd Webber Foundation provides 30 performing arts scholarships every year for talented students with financial need and supports a range of projects such as the Music In Secondary School Trust and commissioning research into diversity in theatre. Andrew Lloyd Webber was knighted in 1992 and created an honorary life peer in 1997. To mark his 70th birthday, his bestselling autobiography *Unmasked* was published by Harper Collins in March 2018.
